Education

Saginaw Valley State University

B.S. in Computer Science, CGPA: 3.53

Finlandia University

Graphic Design Career Tech Education

University Center, MI, United States

Anticipated Graduation: May 2025

Hancock, MI, United States

Sept 2019 – Dec 2020

Experience

Student Research Assistant

Sept 2022 – Present

Saginaw Valley State University

University Center, MI

• Assisting a professor with writing a paper on an overview of cybersecurity attacks, trends, prediction, and detection.

Small Business Website

Aug 2022 – Present

The Wood'n Spoon LLC

Mohawk, MI

• Consulted with a Michigan small business owner on the rework and redesign of their website.

Projects & Competitions

NASA Robotics Mining Competition – Lunabotics

Jan 2022 - May 2022

Saginaw Valley State University

University Center, MI

- Assisted in object detection using deep learning and collected/labeled image data.
- Engaged in community outreach by presenting to a FIRST Robotics team about our project.

Junior Science and Humanities Symposium

June 2018 – May 2020

Michigan Technological University

Houghton, MI

- Conducted a research project on "The Effects of Nitrogen deposition on a hardwood forest in Michigan's Upper Peninsula", where I placed 3rd at the regional competition and qualified for the national competition.
- Conducted a research project on "Testing for The Presence of Drosophila Suzukii (SWD) and Berry Perceptions in Michigan's Upper Peninsula", where I placed 3rd nationally in the Life Science category.

President - FIRST Robotics

Sept 2017 – May 2021

Lake Linden-Hubbell High School

Lake Linden, MI

· Led my team in the design, construction and programming of a robot used at two regional competitions annually.

eCybermission

Sept 2016 – June 2019

Lake Linden-Hubbell High School

Lake Linden, MI

- Completed various research projects on a team of 3 regarding the use of Stamp Sands (a mining waste in Gay, MI) where we placed 1st in Michigan 3 years and 1st nationally 1 year.
- Awarded a \$5,000 community outreach research grant on the use of Stamp Sands.

Activities & Involvements

Vice President - Association of Computing Machinery

March 2022 - Present

Saginaw Valley State University

University Center, MI

• Assisted in the planning of weekly meetings and organizing events.

General Member - Google Developers Student Club

Aug 2022 – Present

Saginaw Valley State University

University Center, MI

• Participated in weekly machine learning workshops to engage in hands-on experience in image processing and various neural network techniques (primarily Convolutional Neural Network).

Skills

Languages: Java, JavaScript, HTML5, CSS, Python, R, SQL, LaTeX, Visual Basic.NET

Developer Tools: GitHub, Minitab, Adobe Suites: Illustrator, Photoshop, & InDesign, Figma
